FIRES AT SCHOOL, CLUB CAFE

Two fires broke out in Strathmore on Sunday night, one in the Club Cafe and one in the High School. Both fires were quickly put out by the local fire brigade, before much damage had been done, but in both cases results might have been much more serious.

The alarm was turned in first shortly after six-thirty Sunday evening, when a small blaze was noticed in the coal shed of the Club Cafe. Firemen under Fire Chief James Swanson quickly extinguished the blaze and checked any smouldering remains.

At about nine thirty the alarm rang again when Orrin Woldum and Jack Coldwell saw fire in the high school. It was discovered that Mr. MacKenzie's desk was blazing and on the fire brigade gaining entrance, the desk was thrown out into the snow. It will be a total loss, according to reports, as will Mr. MacKenzie's records, and numerous books on the desk. Several bundles of oil soaked rags were found.

Both fires are suspected to be of incendiary origin, and investigations are proceeding. In the case of the school, several bundles of oil soaked rags were discovered in the basement, enough to have fired the entire building very thoroughly. And in the Club Cafe, an oil soaked rag was found tied to a piece of cord below the coal bin. No customers had been near the area, H. Y. Wong, proprietor, stated, and it was unlikely that there could be a cigarette butt in the bin as was at first thought.

Many townspeople are finding the incidence of three fires in the week, the third being at Klueber's, somewhat disconcerting, and are becoming anxious over the prospect of a "firebug." In the meantime, investigations are being conducted by the R.C.M.P. A special squad was called from Calgary on Sunday, and photographs were taken, as well as sundry evidence.

HOME AND SCHOOL MEETS

Strathmore's Home and School Ass'n. will meet on Monday, Nov. 24 in the High School and will feature a musical programme by the students, and a discussion on "Discipline" under chairmanship of Mr. W. I. MacKenzie.

There was an attendance of over 70 at the last meeting, and it is hoped to improve on this number at the November meeting. Future meetings will have such interesting programmes as a talk by the Minister of Education, Hon. E. Ansley, and also by Mr. H. A. Panabaker, Supervisor of Guidance for the Calgary Schools.

CLUNY WELL OFF, BUT...

The people of Cluny and district may be generous, and they may appreciate greatly the work of the Cluny Women's Association, but not quite to the extent that was reported in last week's item about the proceeds from their recent bazaar.

The announcement that they were better off by \$273.97 should, of course, have read \$273.97. We're sorry if the ladies lost any further donations through being considered so well off financially.

BOW VALLEY REGULAR MEETING

Minutes of meeting of the Council of the Municipal District of Bow Valley No. 40, held in the Municipal Office, Strathmore, Tuesday, November 11th, 1947, commencing at 10:05 A.M.

Present: Reeve James Harwood, Deputy-Reeve John A. MacArthur, and Councillors J. M. Wheatley, Emory Jackson and W. H. Hartell. Wheatley moved that the minutes of Council meeting of October 14, 1947, be adopted as read. Carried. Re: Motor Cycle colliding with our truck, and notice from Norman D. Dingle reported damage claim by M. H. Harwood.

Moved by Jackson that we deny all responsibility for accident on September 7, 1947, when motor cycle, with driver and passenger, M. H. Harwood, collided with our light delivery truck, driven by John Mackie, who had the right-of-way on the right side of avenue in the Town of Strathmore.

Wheatley moved that the purported M. H. Harwood damage claim be turned over to our Solicitor, John E. Brownlee, K.C., and that he be instructed to protect the interests of the Municipal District of Bow Valley No. 40. Carried.

REMEMBRANCE DAY: 11:00 A.M. was observed.

Jackson moved that with the exception of overhauling No. 12 Caterpillar Road Patrol and mounting snow-plow, no overhauling of road machinery be done until after the end of this year, when the advisability of overhauling or purchasing new machinery shall be considered. Jackson moved that this Council be a Committee to look over premises in the Hamlet of Carlsland which were assessed for busi-

Curl by Monday?

The Executive of the Curling Club met in the waiting room of the new rink on Monday evening and final arrangements were completed for opening the season, which it is hoped will be Monday November 24, weather permitting.

Curling Dues were set as follows: Men (town) \$10.00; Men (rural) \$7.00; Plus R.C.C.A. affiliation fee of 25 cents for both. Ladies (town) \$3.00; Ladies (rural) \$2.00. All dues to be paid by January 1st. Ladies are to have the use of the ice in the afternoons and one sheet on at least 4 nights per week.

The season is to be opened with a knock out draw for men, entry fee 50 cents, and a knock out draw for ladies, no entry fee.

Mr. Leonard Hill was appointed Draw Secretary and all entries should be in his hands Saturday night. Please submit the names of the full personnel of your rink either to Leonard or to the Club Secretary H. C. Willson.

In order to assist the caretaker this season the losing skip on all 7:00 p.m. draws will be responsible for cleaning the ice after the game.

Mr. Ian MacKenzie was appointed to find out how many high school teams could be organized and the question of their fees and provision of ice was left in abeyance until the information is obtained.

The Secretary was authorized to purchase 2 sets of rocks for the Club with the idea that these might be raffled to members later.

Mr. James Swanson was appointed as ice manager and will assist the caretaker in making the original ice.

WHAT DO YOU THINK I AM— —A STOOL PIGEON?

Mr. Doug Brook was talking to a local man the other day about the fire set in the Strathmore High School, and this chap, unnamed, remarked that he had a few days before sold a considerable quantity of kerosene to a customer who had never before bought kerosene. He even went so far as to say a suspicious looking customer.

When Mr. Brook asked him if he had told this to the R.C.M.P. investigating, his answer was the heading of this story: "What do you think I am --- a stool pigeon?"

Members of the Town Council and citizens who attended Tuesday's meeting were at a loss to understand the attitude of a chap... we won't say citizen... who was so averse to being thought an informer that he would sit mutely by while schools and restaurants are set afire, and while possibly more buildings may be fired. There is no indication that another fire may not be set... and there is no indication that another fire may not mean loss of human life.

All citizens at the meeting appealed for public co-operation with the R.C.M.P. in this extremely important matter. They ask that even stray bits of information, pointlike as they may seem, be turned in. One piece of a jigsaw puzzle alone conveys little, but assembled with many others, a complete picture may be seen. And so it is in tracking down clues. One word, one id a, often fits it in to a hole and completes the chain.

* It should be unnecessary to guarantee confidence... any citizen should be glad to help in ridding the community of such a nerve-racking idea... the idea that it is not safe to leave your home or place of business for fear it won't be there when you return. It is obvious, however, that the R.C.M.P. will for good reason keep such information as they have to themselves. And no-one can be considered a stool-pigeon who helps to maintain the safety of his community, even his own home.

KEITH BALDWIN SUCCEEDS TO CHAIR

Com. Council Meets

Owing to two other meetings and System took place, resulting in Mr. Jack Crellin and Mr. Art Moore being named a committee to contact other organizations with regard to the balance unpaid, and a decision that no renting fees be charged.

The question of a Rink Manager was discussed resulting in Messrs. Don Kennedy acted as secretary.

A Sound Projector report was given by S. H. Crowther, and he with Mr. Ian MacKenzie was appointed a committee to make final arrangements.

It was decided that the box of chocolates donated by Mrs. A. Mercer shall be raffled at the Base Ball Dance Friday and Mr. Baldwin was appointed to make necessary arrangements for the draw.

Treasurer W. I. MacKenzie read the Financial Report.

The Town Council agreed to give up to \$400. for the fence for skating rink and Messrs J. Crellin, A. Mercer and L. Roberts were named a committee to supervise building etc. Mr. Crellin made a strong plea for more volunteer labor.

Considerable discussion re the purchase of a Public Address

VOTE FOR THE WATER

We've heard told of ratepayers here and there who weren't sure about the individual cost to them of the proposed water and sewage system. . . . Since the vote is on Friday, it seems good to tell them, even at the last minute.

The greatest increase in actual taxes for a twenty-five foot lot will be \$4.00. This applies whether the lot is built on or not, if the water and sewer pipe run by it. If they don't, or if only one does, there will be no increase at all in taxes, or a two dollar increase in the latter case.

Landlords are no more responsible for the monthly service charge for a tenant than they are for his light bill, or coal bill.

The service charges are three dollars a month for water, and two for sewer, or five dollars monthly for both. This amounts to sixty dollars per year.

The Town is responsible for building the system to the lot line, or just inside the sidewalk, and the householder is responsible for any installation costs from the main in.

It is not expected that there will be any deficit whatsoever in yearly operations beyond the first year or so, when a number of homes are being hooked on, and it is definitely expected that when as many homes as indicated their wish for water do order the service, the volume will enable the rates to be dropped.

Councillors are equipped to answer any further questions ratepayers may have. They have done a lot of work on this matter, a tremendous amount of work really, and they deserve the interest of all ratepayers, at the poll on Friday.

day. It doesn't matter whether your vote is yes or no, but get out and vote. The Council deserves, at least, to know that a cross-section of the town is interested enough to walk a block or so.

And don't make the mistake that the votes not cast will defeat the issue. It's only the votes dropped in the ballot-box that count, and two thirds of them will have to be favorable to pass the by-law. Walk that block and cast your vote.

GOVERNMENT HITS FAST, HARD

Those who suggest that democracy is a slow moving form or government might be excused for changing their minds after Mr. King's government swung into action on Monday.

With a revision of our domestic and foreign economic policy more sweeping than anything since price controls, the government has affected the life of every person living in this country.

As Wednesday's *Albertan* stated editorially, the complex pattern of foreign trade, tariffs and economic affairs is no longer a deep matter for a few to study, but must become the commonplace of the man-in-the-street.

Certainly our American dollars will be conserved. Certainly our foreign trade should increase with all other countries.

Certainly we are in for a period of austerity, so called. And more or less certainly we are in for long range prosperity.

But the man in the street has been hard hit. Not only are his luxury, imported goods taxed by at least 25%, but most of his goods, manufactured at home, are also subject to an excise tax of 25%. This is, in effect, a broadening of the luxury tax, in force all through the war, to a tax even on necessities. And since it seems to hit nearly all goods used in even a moderate household except food and some clothing, it's going to be felt pretty hard by the man who pays the bills at the end of the month.

So the subsidies come off, the prices go up, the taxes go up, the prices go up again, and the poor man gets poorer and poorer. Let's set it to music.

CHANCELLOR NOTES

Mr. and Mrs. Bert Kandt from Wanham and Miss Amanda Kandt from Lacombe were visitors of Mr. and Mrs. J. Chilton.

Mr. and Mrs. Chris Elias entertained 50 guests in the K. P. Hall on Wednesday evening to a grand chicken supper with all the trimmings, after which whist and bridge were played, a swell time was had by all.

Mrs. H. F. Penske left this week for Milwaukee Wisconsin, where she will spend the winter.

Mrs. J. M. Wheatley spent three days in Edmonton this week.

The Whist and Bingo party held in the school house on Friday was very successful. Mrs. N. S. Neilson and Bill Kapanluk were the winners of the first prizes for whist. I wonder who got the goats booty? The proceeds were for the children's Christmas treats.

Mr. and Mrs. Gordon Pedersen were dinner guests of Mr. and Mrs. Fred Wheatley on Saturday evening.

Mrs. E. K. Young is spending a few days with her brother, Mr.

HUSSAR NOTES

By Mrs. M. C. B.

The Armistice services in the Community Hall on Sunday the 9th, were well attended. Rev. D. E. Flint brought the choir and a band of 10 bearers from Bassano with him, and they added greatly to the program; also several of the Hussar Sunday School scholars, boys in Cadet uniforms, sang in chorus. Rev. H. Pedersen closed the service. Next meeting with Rev. D. E. Flint officiating will be on Nov. 23 at 3 p.m. in the school house, and with Rev. H. Pedersen officiating. Sunday, November 16 at 11 a.m. All are cordially invited to attend.

The next meeting of the Hussar Ladies Aid will be held at the home of Mrs. A. Law with Mrs. V. G. Le Grandeur assisting hostess on Nov. 27, Thursday, at 2:30 p.m. The Hussar Bridge Club held its organizing meeting at the home of Mrs. R. Warburton with three tables

ARDENODE

— By Mrs. H. S. —

Mr. and Mrs. H. Hendrickson, also Mr. and Mrs. Alfred Frieze and family of Dalemead, were guests at the home of Mr. and Mrs. L. M. Wise Sunday.

Mr. and Mrs. P. D. Sarsons entertained Saturday evening at late dinner in honor of Mr. and Mrs. Russell Morgan of Nightingale, about twelve guests sat down and enjoyed a delicious repast. Dancing and other pastimes filled in the evening.

Mrs. J. A. Lytle is spending a few days in Calgary.

Mr. and Mrs. Charlie Coles and family have returned home after spending several days visiting in Maple Creek.

The election resulted in Mrs. C. P. English being president, and Mrs. Wm. Jackson being secretary. Plans are being made for the new year's schedule.

RURAL GLEICHEN

Mr. and Mrs. P. Warner were dinner guests at the home of Mr. and Mrs. A. Blais at Carseland recently.

Mrs. R. J. Burne and Mrs. A. F. Wilson were Calgary visitors Friday.

Mrs. J. Young has returned from her trip to Detroit and Florida where she visited her son and family and a sister she had not seen for many years. Mrs. Young went from Detroit to Florida by air plane.

The Remembrance day service held Tuesday in the Community Hall was conducted by the Rev. D. A. Ford, the Rev. W. E. Sieber, Major Parkinson and Major Brundson. Wreaths were laid at the base of the Cenotaph and also on the veterans graves in the cemetery.

Congratulations to Mr. and Mrs. S. Hayes on the arrival of a daughter in Grace Hospital, Calgary on November 7.

Miss Selma Sammons arrived home from Hospital last week and is feeling fine.

For a week or more great activity has prevailed around the recreation centre as the towering structure is being erected. Volunteers from town and country are busily working every day and are making great progress. In a few days the building should be enclosed.

Word has been received from Mr. and Mrs. A. Quinell and they are having a grand holiday in Eastern Canada.

"Somebody's been reading my mind!"

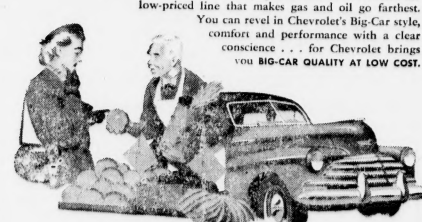

That's what may well pop into your head the first time you curve your hands around the wheel of a new Chevrolet and drive smoothly and smartly down the street.

For—short of mind reading on somebody's part—how else could a car have so many features *you* want? How else could it be so personally and particularly *yours*?

THE STYLIST IN YOU will spark to the lovely lines and colors of that exclusive-in-the-field Body by Fisher. You'll appreciate and applaud the exquisite workmanship, the fine fabrics and interior fittings. Particularly for you, there are such special conveniences as the handy little cranks that control the No-Draft Ventilation and the push-buttons that lock the doors.

YOUR PRACTICAL, PENNY-WATCHING SIDE will give you the "go-ahead" when you discover that Chevrolet's the low-priced line that makes gas and oil go farthest. You can revel in Chevrolet's Big-Car style, comfort and performance with a clear conscience . . . for Chevrolet brings you BIG-CAR QUALITY AT LOW COST.

YOUR INSTINCT TO PROTECT those you love will be gratified by the all-steel safety and ease-of-handling of the new Chevrolet. Your gentlest foot pressure brings swift, sure response from the brakes. Steering is amazingly easy and shockproof. And you don't even have to take a hand off the wheel to operate Chevrolet's exclusive vacuum-power gearshift!

Be wise! Keep your present car in good running condition by bringing it to us for skilled service, now and at regular intervals, until you secure delivery of your new Chevrolet. Come in for a complete service check-up today!
